

*In Loving Memory*

***Norma Jean Nelson Duppler***

***Born***

**August 18, 1951 Valley City, North Dakota**

Norma was raised on the family farm 12 miles south of Valley City & attended the nearby Ellis Nelson Elementary School. She went to High School at Kathryn for two years before transferring to Oak Grove High School, where she graduated as *Valedictorian* in 1969. She attended Concordia College in Moorhead, MN, where she graduated, *summa cum laude* in 1973, with majors in Spanish & English & a minor in Biology.

Norma married Alan Duppler on Feb. 24, 1973. The couple made their home north of Grand Forks while Alan attended law school. Norma taught school at Midway High School. After Alan's graduation they moved to Devils Lake, where Norma taught at the school for the Deaf.

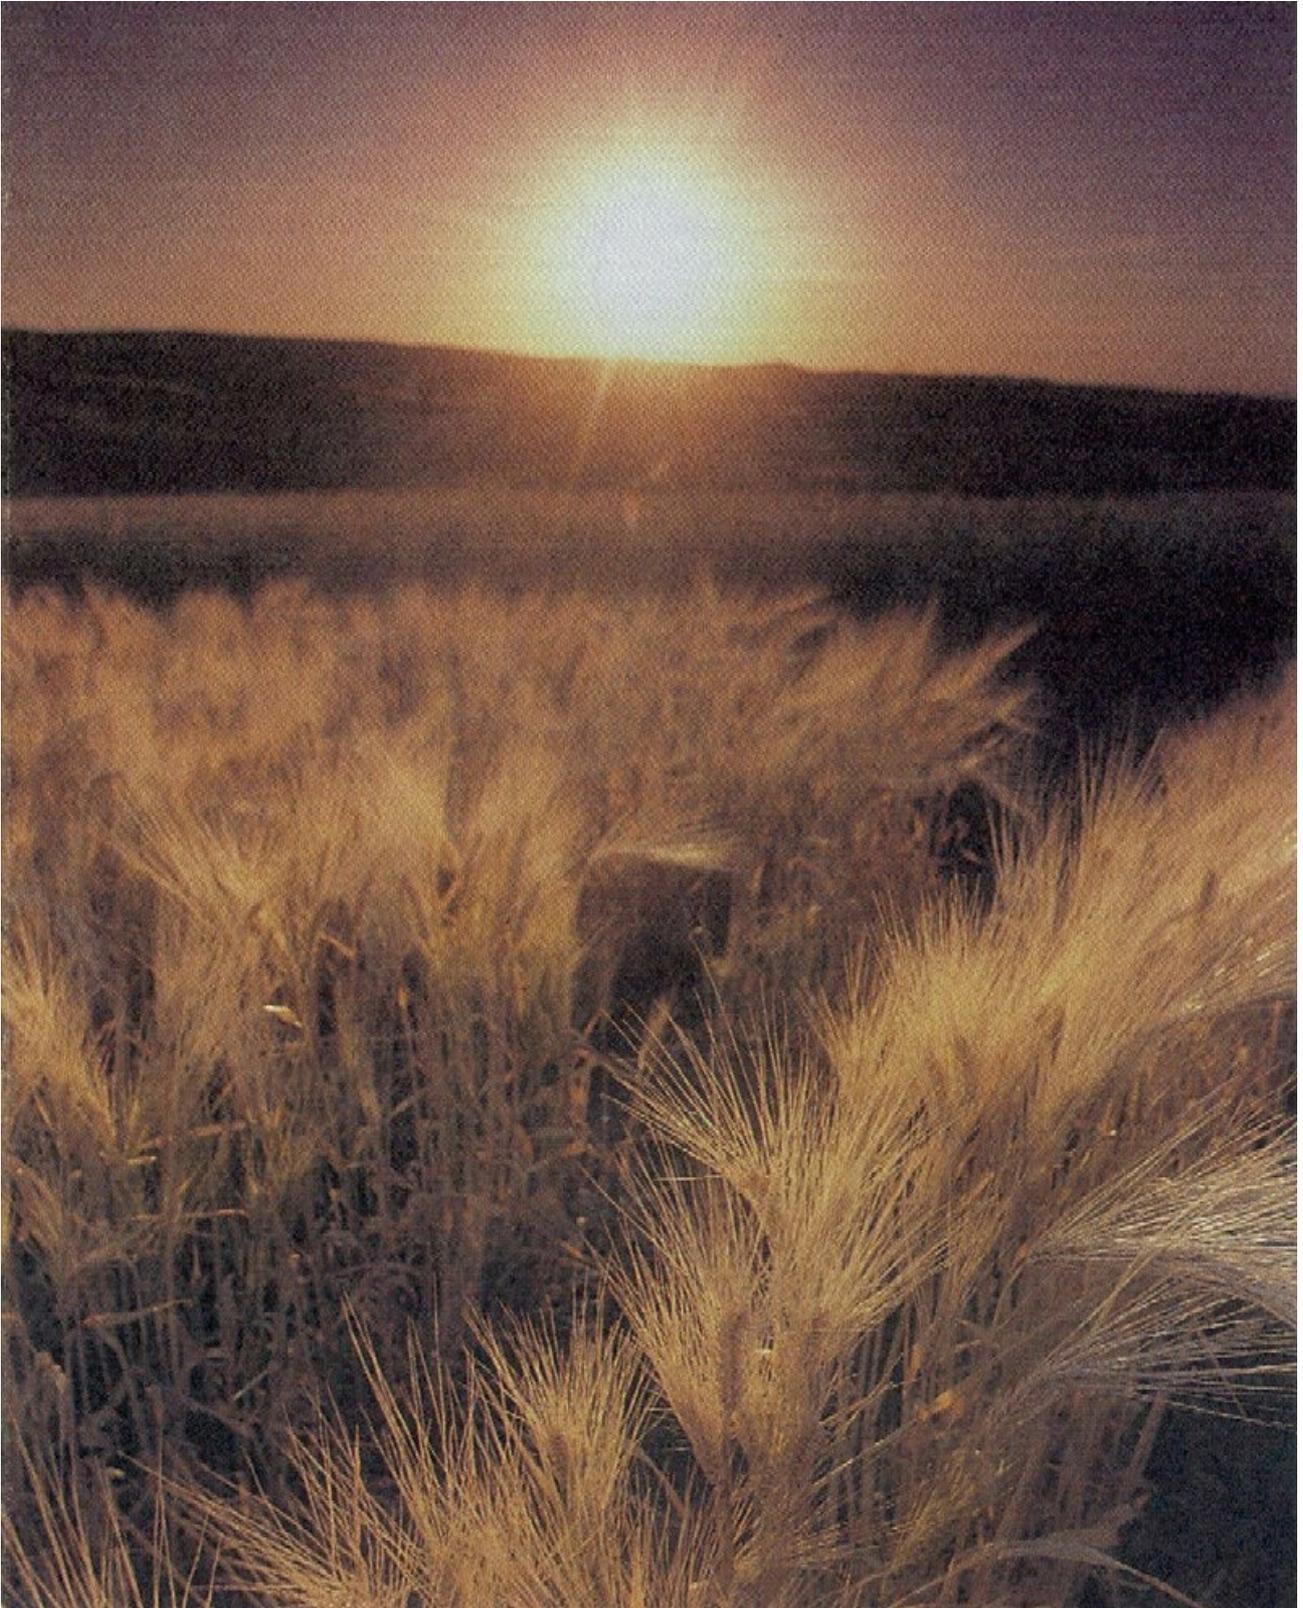

In 1981, they moved to Mercer County, & first made their home in Stanton, & subsequently in Hazen. Norma worked first as a stringer & then as a correspondent for the *Bismarck Tribune*. In 1991, they moved back to the family farm south of Valley City. For a year, Norma did double duty, teaching at North Central High School & serving, part time, as the Barnes County Emergency Manager. She took over that job, full time, in the summer of 1992, & served in that position ever since.

As the Barnes County Emergency Manager, Norma received numerous citations & awards-several of them national in scope. She was responsible for obtaining, literally, hundreds of thousands of dollars in Federal grants, benefiting numerous local fire & police departments, the Barnes County Sheriff's Department, as well as other emergency responders.

Norma was a prolific jewelry maker & crafter. Her specialty was making beaded necklaces & bracelets. She loved the farm where she lived & spent countless hours exploring the pastures on her four-wheeler. She discovered a Native American stone calendar (medicine wheel) on one of the hills & delighted in showing it to archaeologists, & anyone else who asked to see it. Norma began painting when she was 12 years old, & became quite skilled in oils. She had several one-person shows in the region.

## *My Farm*

**My Farm to me is not just land  
Where bare unpainted buildings stand--  
To me, my farm is nothing less  
Than all created loveliness.**

**My farm is not where I must soil  
My hands in endless dreary toil  
But where, through seed and swelling pod  
I've learned to walk, and talk with God.**

**My farm to me, is not a place  
Outmoded by the modern race  
For here, I think, I just see less  
Of evil, greed, and selfishness.**

**My farm's a haven--here dwells rest,  
Security and happiness--  
Whate'er befalls the world outside  
Here faith and hope and love abide.**

**And so my farm is not just land  
Where bare unpainted buildings stand--  
To me, my farm is nothing less  
Than all God's hoarded loveliness.**
