

ACHIEVEMENT AWARDS

Purpose of the Publicity, Awards, and Citations Committee

The purpose of the Publicity, Awards, and Citations Committee is to recommend appropriate recognition to individuals, agencies, and organizations for outstanding or significant contributions in the area of Emergency Management. Upon approval of the ND Emergency Management Association Board, the Committee also makes known the promotion of achievements, accomplishments, purposes and the goals of the Association to the public, media, and other organizations.

Purpose:

The focus of this award is for outstanding or significant emergency management contributions that have occurred within the past year. This is an annual award. Nominations and selections are performed through the NDEMA Publicity, Awards, and Citations Committee.

Criteria:

- Open to individuals/groups who serve in local units of government (cities, counties, special districts) as well as nongovernmental organizations, business and industry.
- Based on performance over the past year for activities above and beyond day-to-day activities.

The name of the individual or group being nominated:

The organization they represent:
